Note: It is probable that Elizabeth Snow who married Eleazer Freeman, Jr. was descended from Stephen Hopkins and Elder William Brewster, or else from Stephen Hopkins twice. Whose daughter was she? The three possibilities that I have found are: she was a daughter of Nathaniel Snow and Thankful Gage, or she was a daughter of Stephen Snow and Rebecca Snow, or she was a daughter of Anthony Snow and Sarah Paine. I am inclined to think that she was a daughter of Nathaniel Snow and Thankful Gage. She died in 1788. If her tombstone still exists that might give the date of her birth. Apparently only one child of Eleazer Freeman and Elizabeth Snow married and had children. This one was Lucy, Lucia, or Lutia, who married Heman Snow and had a number of children.

Note: It is probable that Benjamin Walker who married Hannah Freeman was descended from William Walker and Sarah Snow, and therefore from Stephen Hopkins. Whos son was he? My conjecture is that he was a son of Benjamin Walker and Susannah Crowell, or else a son of Joseph Walker and Thankful Robbins. It seems to me probable that he was also descended from Francis Cooke. I have a certain amount of evidence that both Benjamin Walker, who married Susannah Crowell, and Joseph Walker, who married Thankful Robbins, were descended from Francis Cooke, through their mother, Sylvia Keith.

Note: I surmise that Gideon Smith, who married Abigail Higgins was descended from John Howland. My surmise is that his mother, Desire, wife of Ebenezer Smith, was a daughter of Joseph Hallet and Elizabeth Gorham. This is just a surmise without any proof.

Note: A still wilder surmise is that John Berry, father of Judah, married Hannah Mayo, daughter of Nathaniel Mayo and Hannah Prence.

These hypotheses may, or may not, deserve further research.

SOME DESCENDANTS OF JAMES PAINE AND PATIENCE CROSBY
See on preceding pages the Mayflower ancestries of both these.

The children of James Paine and Patience Crosby were:
Sylvanus, married Susannah Bangs, daughter of Elkanah and Susannah Dillingham Bangs. He died April 1, 1836. The date of birth given on his tombstone is wrong. According to the Brewster records he was born just two months after the marriage of his father and mother. See the records of the Brewster Church for an amplification of this circumstance! I do not know the names of his children.

The children of Josiah Freeman and Phebe Higgins were:

Tamzen
Hannah - married Benjamin Walker
Josiah - married Abigail D. Smith

The children of Benjamin Walker and Hannah Freeman were:

Azariah Smith Walker - married Patia Paine Taylor
Mary Ann Walker - married Henry Knowles Cobb
Benjamin Franklin Walker - married Mary Arey (and Millie _____?)
Hannah Jane Walker - married Charles Henry Youlden

These are given in the Freeman genealogy. There, however, the last name is given as Henry Yeabden. The tombstone just beside the road in Eastham gives his name as Charles H. Youlden.

In 1839 Benjamin Walker married as his second wife Adeline Bailey, of Duxbury. The children by this marriage included Lewis, Adeline, Nathan, Louisa, George, John, and perhaps Albert. John Walker, the youngest of these, was still living in 1945 at the age of 88. He does not know who his grandfather Walker was.

The children of Scotto Cobb and Phebe Knowles are given in the Cobb genealogy. The children of Heman Snow and Lucy Freeman are given in the Mayflower Descendant, as are the children of Heman Snow, his father, and Jedidah Smith.

Altogether there are probably hundreds of living descendants of the Mayflower lines given in these abstracts.

The children of Hannah Jane Walker and Charles Henry Youlden were: William Youlden and Eleanor? Youlden who married a Higgins.

The only surviving child of Mary Ann Walker and Henry Knowles Cobb was Mary Ella Cobb who married Benjamin Franklin Paine.

The children of Benjamin Franklin Walker (and his second wife Lille?) were:

Benjamin Franklin Walker, Jr. married Gertrude Mason
Children Lawrence, Mildred, and Arthur Walker
This family moved to the Pacific coast

THE MAYFLOWER DESCENT OF SYLVIA KEITH

FRANCIS COOKE
Jane Cooke - Experience Mitchell
Elizabeth Mitchell - John Washburn
Samuel Washburn - Deborah Packard
Isreal Washburn - Waitstill Sumner
Sarah Washburn - Ephraim Keith
Sylvia Keith - Benjamin Walker

The Memorial of the Walkers says that Benjamin Walker married Sylvia or Marsylvia Keith. The Mayflower Index says that Benjamin Walker married Marsylvia Keith. I find no evidence that her name was Marsylvia. It is true that she and Benjamin Walker had a daughter named Marsylvia. But the records of Raynham, Massachusetts, say distinctly that

> Benjamin Walker of Taunton and Silva Keith of Bridgewater were married December 8, 1752 by the Rev. Zephaniah Leonard.

The printed Bridgewater records seem thorough. In them I have found no Marsylvia Keith. The only Sylvia Keith of that period that I find there is:

> Sylvia, born May 7, 1735, daughter of
> Ephraim Keith and Sarah Washburn.
> Sylvia Keither Walker died in 1822 "aged nearly 90"

The children of Ephraim Keither and Sarah Washburn were:

- Silvia
- Philibert
- Ephraim
- Timothy
- William
- Solomon
- Sarah

The children of Benjamin Walker and Sylvia Keith were:

- James
- Marsylvia
- Marshall
- Ann
- Bethania
- Joseph
- Sarah
- Benjamin
- Linus

Sylvia Keith's grandfather was Joseph, and her dreat-grandfather was James.

HYPOTHETICAL ANCESTRY OF SUSANNAH CROWELL
to be proved or disproved.

THOMAS ROGERS
Joseph Rogers - Hannah
Elizabeth Rogers - Jonathan Higgins
Jonathan Higgins - Lydia Sparrow
Experience Higgins - John Crowell
Jedediah Crowell - Azubah Baker
Jedediah Crowell - Mehitable Chase, of Harwich
Susannah Crowell, of Harwich - Benjamin Walker

Susannah Crowell, who married Benjamin Walker, was born October 17, 1779. Jedediah Crowell married Mehitable Chase in 1778. I have not found this Mehitable Chase in the Chase genealogy.

Susannah Crowell Walker died October 28, 1854 in Hartford, Connecticut. Perhaps Hartford records or newspaper accounts show her parentage.

At any rate the ancestry of Jedediah Crowell, who married Mehitable Chase, was as above. See the Crowell, Baker, and Higgins genealogies.
